We are delighted to invite you to participate in the International Conference on Learning and Teaching (ICLT 2026), a prestigious event dedicated to exploring the transformative intersection of technology and modern education. Organized by Okayama University, Japan. ICLT 2026 serves as a global platform to discuss and drive advancements in educational technology and methodologies.

We look forward to your active participation and contributions at ICLT 2026, as we embark on this remarkable endeavor to transform education for generations to come!

### Publication:

Submissions will be peer reviewed by technical program committee, and accepted full papers will be published into *International Journal of Information and Education Technology* or *International Journal of Learning and Teaching* based on the paper topic and quality.
